

# WhoDunnIT?

## In aid of Barnardo's

This year we will travel through France, taking in some amazing roads and scenery, completing challenges, solving a murder mystery, meeting great people and raising money for a fantastic charity.

Our three day navigational challenge is action packed with heaps of activities and whodunnit themed challenges planned guaranteeing a fun filled, action packed weekend for all participants! Are you up for the challenge?

### Who can take part?

Everyone is welcome to join our **WhoDunnIT?** adventure, participants just need to be aged 18 or over and have a non-commercial vehicle with four wheels. Although primarily supported by Information Security professionals, the event attracts private and corporate entries from many different professions.

### How much does it cost?

Joining fees start at just £300 for a team of two and include lunch each day! You will benefit from discounted rates for your accommodation at our selected

hotels which also include breakfast. Group dinners will be available each night at special rates too. You can find out more about these costs on our website.

*We raised a massive £50,200 last year for Barnardo's – join us to help raise even more in 2016 to support their work with vulnerable children*

For a private entry, all we ask is for a team of two to raise at least £600 for Barnardo's. We'll send you a guide with some great fundraising ideas and sponsorship suggestions to get you started. You will also have the full support of the Barnardo's event team and we'll provide details of how to setup your online giving site to track progress and earn team points.

### How do we enter a team?

Register through our website [www.whitehattrally.org](http://www.whitehattrally.org) and pay via PayPal or bank transfer to secure your place. Spaces are limited and we are expecting a sell out so register your interest today even if you don't have all the details of your team yet! Book your ferry early to secure the best rates.

### What else should we know?

It's not a race, you don't need to be a "petrol head" and you don't need a special car, just a sense of humour and an appetite for fun and adventure! Many cars will be decorated to the theme of the event, but there are entry categories to suit all standard cars, and bangers!

### Corporate Sponsorship and Personal Donations

Various corporate sponsorship opportunities are currently available from £1,250 to £12,000 and all personal donations are always very welcome. Visit our website for further details or give us a call.

### Want to know more...

Visit our website and review our FAQ and our *Tell me more...* news item that outlines all the key facts for this year's event.

*We really hope you can join us!*
